FRYING PANS AS WEAPONS -At the B'ue Oreek mines, in Alabama, on Saturday, a pitched battle was fought between the wives of the striking miners and a crowd of negro miners and their families. The company had moved the negro miners into the houses from which the white miners W-re recently exicted. The wives of the strikers, armed with fist-irone, frying pans and sticks, atsoon drove them to the woods. The negro men attempted to interfere and were at once set upon by the angry women and completely routed. The wives of the strikers say they will never let the negroes take the places of their husbands.

RETINA OF THE EYES AS WITNESS .- At the time of the murder of the McGonegal girls, near Cumberland village, Ontario, it was held that the visage of the brute who strangled them must have been photographed on the retina of the girls' eyes. The Department of Justice has purchased a photomicrographic apparatus, by the aid of which it is believed impressions made on the eyes of murdered persons may be reproduced and used as testimony against the criminal. The purchase is made by authority of Sir John Thompson.

HOUSEHOLD FAVORITE.

A young girl here had been suffering for 12 years with blood diseases until she had lost the use of her limbs and was subject to many troubles incident to the disease. The physicians declared her case incurable and predicted that her life would come to a speedy end. After taking S. S. S. she recuperated so fast that it was plain that she had obtained a new lease on He, and she has continued to grow better until her permanent cure is assured. Many other patients in our hospital have obtained signal bene fit from S. S. S., and it has become quite a favorite in our house.
